

BUILT FOR YOUR STATE. BUILT FOR YOUR NEEDS.

Every state has unique challenges.
We engineer buildings that stand
strong where you are.

STATE-SPECIFIC SOLUTIONS FOR REAL-WORLD CONDITIONS

SNOW & ICE BELT

(CO, ID, NY, WA, MI & MORE)

- ✓ High-pitch roofs shed snow effortlessly
- ✓ Certified heavy snow load ratings
- ✓ Vertical siding prevents ice and snow buildup

HURRICANE & COASTAL ZONES

(FL, TX, SC, LA & MORE)

- ✓ 140+ MPH wind ratings
- ✓ Heavy-gauge steel framing
- ✓ Galvanized anchors for maximum uplift protection
- ✓ Built to meet strict local building codes

AGRICULTURAL HUBS

(IA, ND, KS, NE & MORE)

- ✓ Clear-span designs (no center poles)
- ✓ Wide-open space for equipment & livestock
- ✓ Ventilation & insulation options for any need
- ✓ Feed storage, barns, and machinery sheds

ENGINEERED FOR STRENGTH. DESIGNED FOR YOUR REGION.

Compliant with IBC Codes & Local Requirements

BUILT FOR MORE THAN JUST STORAGE. BUILT FOR WHAT MATTERS TO YOU.

From business to lifestyle, our steel buildings
are as versatile as your vision.

CREATIVE END USES. ENDLESS POSSIBILITIES.

WEDDING & EVENT VENUES

Modern, rustic, and open
spaces your guests will
remember.

RECREATION & SPORTS FACILITIES

Column-free interiors perfect
for courts, turf, and training
centers.

CRAFT BREWERIES & DISTILLERIES

High ceilings, open layouts,
and fast construction for
your next big idea.

RETAIL & SHOWROOMS

Attractive, durable spaces
built to showcase your
business.

SHOPS & WORKSPACES

Built for productivity
with the strength your
work demands.

AVIATION & MARINE FACILITIES

Clear-span hangers and
storage for planes, boats,
and equipment.

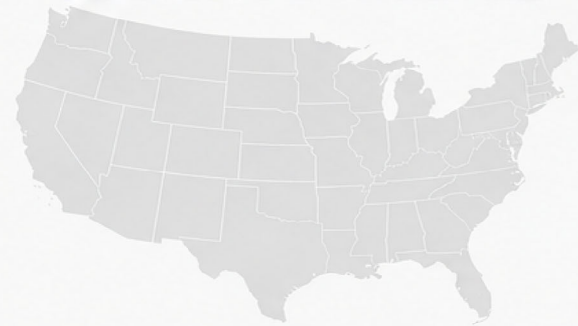

CUSTOM. DURABLE. ENERGY-EFFICIENT. BUILT TO LAST FOR GENERATIONS.

Engineered steel buildings designed to save you
time, money, and energy for the long haul.

STRONGER BUILDINGS. SMARTER SOLUTIONS.
